

GET INVOLVED!

Would you like to play a part in shaping the future of Rye?

The actions contained within this plan reflect the views of the majority of the people who completed and returned the Rye Action Plan questionnaire or took part in the informal information gathering sessions at the beginning of 2009. The Action Plan is owned by the community and will be reviewed on a regular basis to reflect the changing needs of the people of Rye. As you will see when reading the 'Action' pages interested organisations have been identified (stakeholders) to help take these ideas forward, however, it is important that the wider community continues to be involved in delivering the Plan's aspirations.

Does a particular 'Action' within the Plan interest you?

Do you have a particular interest, knowledge, expertise or skill which you feel would be of benefit in taking one or more of these actions forward? Would you like to join any working groups set up to share your experience for the benefit of Rye and to contribute to the development of these local projects?
