SKATE PARK EXPANDS

Two years after the base and main item of equipment were installed on the Cricket Salts, users of the Rye Skate Park now have access to a half pyramid and flat bank.

The project has been delayed by funding falling through and isn't finished yet. Efforts are continuing to raise enough money to install a quarter pipe and volcano.

The Chairman of the Skate Park Committee and Rye Mayor, Cllr Paul Osborne comments:

I can understand why users of the Skate Park have become frustrated that it remains unfinished. I hope that the completion of Phase 2 of the project will go some way to reassuring them that the Council is committed to seeing the project completed. In the mean time I urge all our skateboarders and bmx riders to make full use of their new equipment.
