Dear Sir

It is unfortunate that the Chairmen of the Hotels & Caterers' Association, Rye Town Services and the Chamber of Commerce were unaware of the recent Marketing and Town Management Discussion evening (Letters, 1 February). It appears that the invitations got lost in cyberspace!

Clearly the review cannot proceed without these organisations. Consequently, a special meeting will be arranged for them shortly.

In relation to dog faeces on the Salts, Mr Tolhurst states 'all we get from the Town Hall is the same old drivell'. However, the Town Council has not been contacted about this matter nor has it said that 'there isn't a problem down there'. More to the point, the area in question is currently the responsibility of Rother District Council.

Yours faithfully

  
Richard Farhall  
Town Clerk
