55 RYE NEIGHBOURHOOD PLAN

The RNPSG Vice-Chairman, Colonel Kimber highlighted his general RNP update and his review of the Draft RNP in relation to affordable housing, second homes and buy-to-lets.

It remains the case that RDC has insufficient planning strategy staff to progress the RNP pre-screening. However, RDC has engaged a former employee, Frank Rallings to work with Rye (start date unknown).

At the last Committee meeting Members agreed to ask Colonel Kimber to re-examine the issues associated with second homes/buy-to-lets. The RNP consultant had advised that the Rye Plan should reflect RDC's views. RDC's position is that it would not favour any provision within the RNP that would most probably attract a legal challenge.

Colonel Kimber suggested that RTC has two options:

- (a) Re-endorse the existing (H2) policy within the RNP; or
- (b) Re-endorse the H2 policy but add a 'St Ives'-style policy.

He cautioned that, based on the 'St Ives experience', opting for (b) was certain to attract legal challenges and delay further the adoption of the RNP.

The Committee Chairman had researched the 'St Ives Experience' and concluded that it was unclear what the community there would ultimately be able to achieve. Colonel Kimber confirmed that the St Ives Plan was having to deal with legal challenges.

Responding to a point made by Cllr Hughes, Cllr Stuart understood that once the RNP had been adopted it would be the responsibility of RTC to enforce its provisions.

The Committee Chairman observed that it is not unusual for those buying second homes in Rye to eventually move into them on a permanent basis.

Cllr John Breeds stated that some villages had such a high proportion of second home ownership that local retailers had vanished because they could not be sustained.

RECOMMENDATION (unanimous) That Council re-endorses RNP policy H2.

RESOLVED To note Colonel Kimber's RNPSG Update.
